27th GRADUATION DAY
SATURDAY
19.09.2026
SRI LEELAVATHI INDOOR STADIUM

From intelligence to innovation.
From innovation to purpose.
From purpose to impact.

Today we celebrate more than a graduation. We celebrate the transformation of young minds into individuals ready to make a difference. At Sairam, knowledge builds intelligence. Innovation gives it direction. Skills turn ideas into solutions. And purpose turns solutions into impact. Through a learning ecosystem that nurtures ideas, encourages innovation, develops entrepreneurship and connects learning with real-world challenges, our graduates step forward not merely as engineers but as problem solvers, innovators and changemakers.

Today our graduates leave Sairam with more than just a degree. They leave with the intelligence to understand, the innovation to create, the courage to lead, and the purpose to make a difference.

Congratulations Graduates!
Go forth. Innovate with purpose.
Impact the world.
