

City Chronicle

The highly anticipated cricket match ended in a thrilling draw. Both teams displayed exceptional skill, with captain Virat leading his team with a spectacular century. The stadium was packed with thousands of fans cheering.

Meanwhile, the city council has announced a new initiative to clean the river. The project, named "Swachh Jal", aims to reduce pollution by 50% over the next five years. Environmental activist Sunita Devi welcomed the move but urged for stricter enforcement of industrial waste regulations.
